7.25 Flying toys	n.a.
7.26 Improvised projectiles	n.a.

Remark:

1. n.a. = not applicable
2. n.p. = not provided by the applicant

Note: The text of this note is for information only.

- Toys made available on the market shall bear the CE marking. The CE marking shall be affixed visibly, legibly and indelibly to the toy, to an affixed to a label or an accompanying leaflet. Where the CE marking is not visible from outside the packaging, if any, it shall as a minimum be affixed to the packaging. Where specific legislation does not impose specific dimensions, the CE marking shall be at least 5 mm high.

- The manufacturer's name, registered trade name or registered trade mark and the address at which the manufacturer can be contacted shall be indicated on the toy or, where that is not possible, on its packaging or in a document accompanying the toy. This requirement applies also to the name and address etc. of any importer.

Test Report No.: 1203058294-01

Page 6 of 8

- Manufacturers shall ensure that their toys bear a type, batch, serial or model number or other element allowing their identification, or where the size or nature of the toy does not allow it, that the required information is provided on the packaging or in a document accompanying the toy.

- Manufacturers and importer shall ensure that the toy is accompanied by instructions and safety information in a language or languages easily understood by consumers, as determined by the Member State concerned.

- A Member State may, within its territory, stipulate that warnings and safety instructions shall be written in a language or languages easily understood by consumers, as determined by that Member State.

- Information relating to the age grading of toys and, in particular, which toys are intended for children under 36 months and which toys are not, can be found in CR 14379, the CPSC Age determination guidelines, CEN Guide 11 and the European Commission's Guidance Documents.
